Day 4

Singapore

Enjoy a breakfast at the hotel and start your **Majestic Gardens in the Lion City** tour.

One of the top places to visit in Asia, Gardens by the Bay spans over 100 hectares and is a highlight for any visitor to Singapore. Built at a cost of over one billion dollars, the gardens opened June 2012 and have already been billed as an unmissable attraction.

The gardens house two domes or conservatories, Cloud Forest and Flower Dome, which are climate-controlled indoor glasshouses. The Flower Dome (the larger of the two) replicates the cool-dry climate of the Mediterranean and South Africa, whilst the Cloud Forest replicates a cool-moist climate found in Tropical Montane regions such as Mount Kinabalu in Sabah and high elevation areas in South America.

The remainder of the day is at leisure.
