- Our hotels or B&B provide amenities that are ideal for active vacations, located in easy walking distance to downtowns, restaurants and sightseeing. We prioritise family-owned, authentic accommodations over large chains. If the hotel advertised on our website is full, we will book you in another hotel similar in category.
- We do not recommend taking this tour around the anniversary of D-Day, June 6th. Hotels fill up very far in advance, there is more traffic on the roads and some of the routes may be closed.

Blackout dates may apply during festive season.
