Full day Bangkok Experience tour

Indulge in a delicious breakfast served at the hotel to start your day. Following this, embark on a captivating journey to the charming and intimate community of **Talat Noi**. Travel in the comfort of a private air-conditioned vehicle van as you explore this historical area, which dates back to the 19th century. Along the way, you will have the opportunity to admire captivating street art, enjoy scenic river views, visit the **Kalawar Church or Holy Rosary Church**, and explore local stores.

Next, we will proceed to **Wat Tramitr**, also known as the **Temple of the Golden Buddha**. This magnificent temple houses a remarkable and solid golden Buddha statue, standing at an impressive height of 3 meters and weighing a staggering 5 ½ tons. The statue is exquisitely carved in the renowned "Sukhothai" style, showcasing incredible craftsmanship.

Continuing our journey, we will visit **Wat Pho**, the temple famous for its **Reclining Buddha**. This temple holds the distinction of being the oldest and largest in Bangkok, and its interior boasts the largest Reclining Buddha among all the Buddha images in Thailand. Prepare to be captivated by this incredible work of art and religious significance. Wat Pho is also renowned as the first public education center.

Our next destination is the **Old Royal Palace**, once the residence of Thai Kings, originally built by King Rama I in 1782. The palace complex encompasses various buildings, with the standout being the revered Temple of the Emerald Buddha, also known as **Wat Phra Kaew**. Within this temple, you will have the privilege of admiring the renowned Emerald Buddha sculpture. Carved from a single piece of jade with an enchanting emerald hue, this Buddha image holds immeasurable value and boasts exquisite artistic beauty. The sculpture, estimated to have been crafted in 15th-century southern China, stands at 48.3 centimeters tall. Thai tradition holds that praying before this image brings good fortune. Other noteworthy attractions within the palace grounds include the 9 Towers and the Pantheon of the Kings, characterized by their proud golden domes, inspiring capitals, captivating murals adorning the walls, and impressive ceramic decorations. These mere words hardly do justice to the magnificence of this prominent and revered site in Bangkok.

Following the enlightening exploration, enjoy a delectable lunch at a local restaurant, savoring the flavors of the region.
