A story 30 years in the making, the Eastern & Oriental Express has been narrating adventures since its inaugural journey from Bangkok to Singapore in 1993. After American businessman James B Sherwood purchased the luxury train carriages in Japan, these were remodelled in Singapore with elegance, echoing the spirit of ancient Indochina.

The signature cream and green exterior gives way to polished wood-panelled corridors and silken furnishings with a hint of multiple Asian designs. Once inside, take your seat at the Bar car where a jazz-club ambience reigns with music lingering in the air, while stewards serve champagne and signature cocktails.

Today, the Eastern & Oriental Express takes you on a grand journey in Southeast Asia to capture the heart of Malaysia.
