Cow Head Gros Morne Cow Head

Discover why Gros Morne National Park, a UNESCO World Heritage Site, is truly one of the highlights of your trip with a scenic boat tour on Bonne Bay; be on the look-out for the bald eagles that frequent the deep waters of the fjord. Also visit the Tablelands; this mountain of flat-topped rock of a kind usually found only deep in the earth's mantle is an awe-inspiring sight. Today will be an unforgettable experience; some say the scenery that Gros Morne offers is unequalled in Eastern Canada.

Option: Passengers may request on booking to take a scenic boat tour on Western Brook Pond and visit the Broom Point Fishing Premises in lieu of the scenic boat tour on Bonne Bay and visit to the Tablelands. While some may consider the boat tour on Western Brook Pond to be a superior outing, please note that there is a 45-minute walk (3 km/2 miles) from the parking lot to the dock and a 45-minute walk back. This option must be requested on booking.
