Adelaide to Kangaroo Island

Please note: Day 6 and 7 may be interchanged.

Depart from Adelaide Airport for your flight to magical Kangaroo Island, where you will be met by your guide and begin your 'Island Life' tour. Island Life provides a taste of the way of life in this bucolic spot, where things take time, drivers wave as they go by, and passers-by stop for a chat. Have a cuppa with some home-made treats before taking a walk down a country track through towering Eucalyptus trees, where koalas snooze overhead or chew languidly on leaves. You'll travel through the island's most productive countryside to the north coast and walk through the bush with your guide, learning what makes that noise and whose tracks those are. Watch for small wallabies, a kangaroo found only on Kangaroo Island, and a variety of other birds, plants and animals.

Lunch is at a private bush camp, where you'll enjoy a delicious meal featuring King George whiting – a local sea fish, fresh salads and fine South Australian wines. At Seal Bay Conservation Park, take a private tour with your guide among Australian sea lions on a beautiful sandy beach. Watch pups nursing or playing in the surf and old bulls bearing the scars of territorial disputes and learn about their unique breeding biology. After a day of touring, you will return to your accommodation, with dinner included at your hotel.

Overnight stay at **Mercure Kangaroo Island Lodge**.

Breakfast, Lunch, Dinner

SEAL SPOTTED AT SEAL BAY CONSERVATION PARK

Kangaroo Island

Begin the day travelling through some of the regenerating landscapes of Kangaroo Island. Learn about fire ecology and how nature deals with this natural hazard. Some of the native flora species only flower following fire.

Travel into Flinders Chase National Park and explore the massive shapes of Remarkable Rocks, a natural sculpture perched impossibly on top a granite dome plunging into the ocean. Then you'll break for an elegant picnic lunch in the bush, or if weather permits, on a spectacular clifftop. Evidence of the power of the Southern Ocean swell continues at Admirals Arch – a coastal grotto that provides a haul out for a large colony of Long-nosed Fur Seals, which swim effortlessly through the crashing waves. After your last day of touring, you will return to your accommodation, with dinner included at your hotel.
